About Company

Turning vision into reality, one project at a time.

Welcome to **Okuhlenathi (Pty) Ltd**. Founded in 2017 on the simple principle that none should dare challenge us, we work with integrity to build a prosperous environment for our future leaders.

Over the past 9 years, Okuhlenathi (Pty) Ltd has grown into one of South Africa's leading black youth-owned and emerging construction firms. Our reputation rests on hard work, uncompromising precision, and continuous learning and adaptation. Driven by passion, the diversity of our portfolio proves the scope of our engineering and execution capabilities.

Registrations & Compliance

We are registered with the NHBRC, the **Compensation Fund**, and listed on the **Central Supplier Database** and numerous municipal databases. Our **CIDB gradings** include: **4GB, 6CE, 5ME, 5SQ** and **1SK**.

Mission & Vision

Turning vision into reality, one project at a time.

Vision

Our vision is to be a leading force in the construction industry, recognized for innovation, integrity, and excellence. Expand our expertise across diverse construction sectors..

Mission

Our mission is to deliver high-quality, cost-effective civil engineering & construction services while maintaining strong client relationships. Providing innovative and efficient construction solutions tailored to client needs.

Our Services

A Strong Foundation for Tomorrow.

We offer a comprehensive range of construction services tailored to meet diverse client needs. Our key services include:

Water & Sanitation

Urban/rural roads, stormwater drainage, culverts and channel upgrades for resilient mobility.

Pavement Design & Rehabilitation

Design, regravelling, strengthening and life-cycle rehabilitation for long-lasting pavements.

Water & Sanitation

Reticulation, pipelines, pump stations and sanitation systems built for reliability and access.

Project Management

Scope, cost, schedule, quality, safety and stakeholder control — delivered timeously and within budget.

Buildings

New builds, additions and renovations for residential, commercial and public facilities.

Brick Laying

Structural and architectural brickwork with clean lines, accuracy and durable finishes.

Renovations

Upgrades and restorations that improve safety, performance and visual appeal.

Roofing

Installation and repairs for tile, sheet and flat roofs with watertight detailing.

At **Okuhlenathi (Pty) Ltd**, we don't just construct buildings — we **build futures**. Every project reflects **our integrity**, technical precision, and dedication to **sustainable growth** for communities and generations to come.

Fencing Services

Security, palisade, mesh and boundary fencing — durable, neat and compliant.

Bridges & Hydraulic Structures

Bridges, flood assessment and hydraulic design for safe crossings and resilient waterways.

Contract Administration & Supervision

Site supervision, quality control, progress certification and contractual compliance.

Civil Road Works & Plant Hire

Bulk earthworks, layerworks, surfacing support and reliable plant hire for efficient delivery.

Quality Construction,
Delivered On Time.

*A Strong Foundation
for Tomorrow.*

Message From The Director

Mr Sibonelo Phungula
Managing Director

At Okuhlenathi (Pty) Ltd, we believe every project is more than construction — it's a commitment to progress, people, and purpose. Our focus is on **quality, accountability, and lasting impact** in every community we serve.

Strategic Partners & Associates

Trusted Collaborations: Our Key Partners and Association

Our growth is built on strong relationships. Over the years, we have partnered with municipalities, private sector role-players, and community-based institutions to deliver services that impact lives, strengthen local economies, and support sustainable development.

Portfolio

Explore our portfolio — a reflection of the hard work, precision, and passion that drive every project we deliver.

Company Highlight
